

2023 3rd INTERNATIONAL CONFERENCE ON SMART CITY AND GREEN ENERGY

WELCOME TO ICSCGE 2023

2023 3rd International Conference on Smart City and Green Energy (ICSCGE 2023) will be held in Hong Kong, during November 24-26, 2023.

ICSCGE 2023 will be a great platform for editorial board members and authors to get together and discuss their latest research findings and fruits and develop chances for possible cooperation.

CALL FOR PAPERS

- Smart Cities and Smart Systems
- Social Smart buildings
- Smart city theory, modeling, and simulation
- Sensors & Intelligent Electronic Devices
- Intelligent security and monitoring system
- Intelligent Transportation and Transportation
- Smart Cities and Service Robots
- Wearable devices and information interaction
- Intelligent medical system and service
- Intelligent driving and navigation system
- AI Chips and Manufacturing
- Smart Grid and Devices
- Smart home
- Security in smart cities and smart grids
- IoT and smart cities
- Smart city roadmap
- Smart environment & ecosystems
- Digital city and smart growth
- Applications of Artificial Intelligence
- Energy efficiency
- Energy systems
- Green Power
- Green energy and energy access
- Green Energy in Transport
- Green Industrial Technology
